I will praise and give thanks to You, O Lord, among the peoples; I will sing praises to You among the nations. For Your mercy and loving-kindness are great, reaching to the heavens, and Your truth and faithfulness to the clouds. Be exalted, O God, above the heavens; let Your glory be over all the earth. *Ps.57:9-11*

Our first journey
around Bulgan state
has ended.

God's power has been
amazing since the
beginning of our trip!

Many people have been touched mightily by God. Healing and deliverances have happened. Nobody has left our meetings and teachings unchanged, because so much Jesus and the Holy Spirit has been present.

People have left their walking sticks, hearing and sights have been restored. So awesome are the works of Jesus.

Our Healing school has been a success. People have received more faith to do the works of God, both in physical and spiritual level. So much growth has happened, really faith raising events!

Glory to God.

So many in this nation are so hungry for God's presence and His power.

They want to have more Jesus and there He is. Jesus is walking among the people. Walking through them and healing after healing. Glory Glory to God!

Rivers of living water and seeing the River of Jordan running through them and in them. So Glorious!

In the Churches I have been preaching about faith and anointing has come.

New kind of Angels have appeared, they are Watching Angels. I have seen these already in my Finnish meetings, and now they are even released here. They do look so different to what I have seen before. When they come and when you feel this

Angel close to you, you have to ask what is his message and He will tell! Amazing!

Our Journey now continues to East-Mongolia

God Bless
